30+ Year Furnace Replaced

The Stonington Trustees have certainly been busy the past few years. If you have been reading the past newsletters you know that we:

- Replaced the dining hall floor.
- Replaced two roofs.
- Replaced the organ.
- Installed a window air conditioner for the lodge room.
- Repaired the ceiling and installed a granite

countertop in the ladies bathroom.

And much much more....

If you've been in the basement of the lodge sometime in the past 30 years you would have seen the furnace pictured here. In January 2016 the furnace (it heats the fellowship/dining hall) was replaced. So this is the second furnace that has been replaced in the past two years.

Thanks to all of the brethren who have contributed to the building fund during the past 5 years. You have made a difference!

JOIN US ON SATURDAY APRIL 16TH FOR TWO OUTSTANDING EVENTS AT STONINGTON!

22nd Masonic District Leadership Event - Saturday, April 16th 9:00am to 11:30am

Join us for 3 great programs!

A Masonic Hierarchy of Needs:

This presentation utilizes the concepts behind Abraham Maslow's 'Hierarchy of Needs' and adapts those basic theories to organizational success and the failures of leadership expectations. There are also specific guidelines for creating organizational health and stability.

Filling the Barrel: Priorities for Management Behavior. As leaders, we always seem to be struggling to keep the 'barre full.' There seem to be a new leak every time we turn around. This seminar teaches two essential attitudes, two strategic directions, and acknowledges a singular foundation as we lead toward success, growth, and improvement. A must for leaders searching for **pivotal priorities** for effective management behaviors.

The Stages of Organizational Decline and Regeneration:

From Excellent, to Neurotic, then Declining, and Eventually – Demise. Gauge the level of "excellence" of your organization. Discover the issues that drive groups and individual leaders toward decline and demise. Find out how to utilize the factors that fuel positive growth and renewal.

Leadership Events are brought to you by: RWB Mark J. Bollinger; RWB William M. Carter, III; RWB Jonathan H. Krapf; WB Daniel A. Hall; WB James A. Hieb; & WB Gregory M. Kita
