From The East,

Brethren,

I hope everyone has enjoyed the Summer Break and all are in good health. Since our last Trestlboard we have been continuing with quite a bit of Degree work on candidates coming in to our Lodge which has consumed most of our meetings in the last few months. I'd like to thank all who have participated in those Degrees, especially those who came out and took a part on the Fellowcraft team for the Master Mason Degrees; we couldn't have done it without you.

We had a good evening of fellowship with Harding-Concordia as they teamed up with us this year for our Annual Hot Dog, now possibly Steak Night at the BRT properties this past June. Attendance was good and the food was great.

Going forward: As I mentioned previously, Degree work has been dominating the meeting schedule this first half of the year, and will continue to do so for the foreseeable future, as we have two new candidates that will start their journeys as EA's in September, along with 2 Brethren who will take their FC Degrees and yet another Brother who will take his Master Mason Degree. All are slated to take place during September and October, which fills our calendar once again. We have also had some recent inquiries which means we may have even more work in the near future. All this is good as more and more men are being attracted to Masonry.

Please reference the calendar enclosed in this newsletter, and as always, I will be communicating to you dates, times or any changes on a weekly basis.

Join us in September as the Fall schedule promises to be a busy one with plenty of opportunities to come and witness or participate in some Degree work or just enjoy the company of your fellow Brethren.

Fraternally,
Chris C. Harding, WM

From the West...

Brethren,

September is upon us and that signals a return to our labors. That said we have not been idle during the summer break. Several members have been meeting men that have contacted us and shown an interest in the Fraternity. All have been invited to stop in prior to the first two meetings in September to meet other brethren and gain some more insight into Masonry. Should any of these men eventually submit a petition, our calendar could fill up quickly with degree work. A good problem to have.

I hope that you have all made the time over the summer to share some quality time with your family & friends and just maybe take a vacation. I also hope that you have taken an opportunity to seek some more light in masonry. Read an article, blog or volunteer your time to help someone achieve their goals.

Looking forward to greeting you, in lodge and *'On The Level'*.

SW Jeffrey N. Kopacka PM

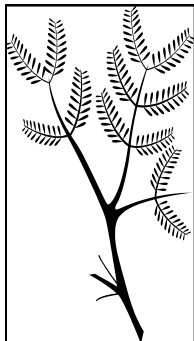

In Memory of Our Departed Brothers...

Special Spotlight on my Brother ...

The Trestleboard will be bringing you the life story of a brother and past master from Theodore Breck Lodge #714 in his own words...

To find the first chapter you must get the online version of the Trestleboard to receive the password then go to our lodge website theodorebreck714.com . And under Trestleboard you will find a folder with T Robert's name click it and enter the password. The next sections password will be in the next issue. You must subscribe to the online version of the Trestleboard in order to get the passwords.

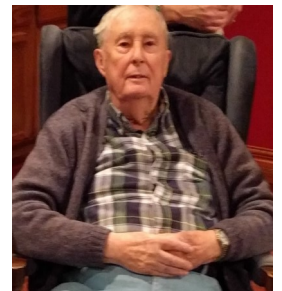

All we need is your name, and e-mail address sent to trestleboard714@aol.com . And I will make sure you receive this issue with the first installment of WB T. Robert Johns life story.

So far...

THE PASSWORD IS Breck (case sensitive)
